

110TH CONGRESS
1ST SESSION

S. 1933

To amend the Safe Drinking Water Act to provide grants to small public drinking water systems.

IN THE SENATE OF THE UNITED STATES

AUGUST 1, 2007

Mr. REID (for himself, Mr. ENSIGN, Mrs. BOXER, Mr. BAUCUS, Mrs. MURRAY, Mrs. CLINTON, Mr. SANDERS, and Mr. CONRAD) introduced the following bill; which was read twice and referred to the Committee on Environment and Public Works

A BILL

To amend the Safe Drinking Water Act to provide grants to small public drinking water systems.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Small Community
5 Drinking Water Funding Act”.

6 **SEC. 2. FINDINGS AND PURPOSE.**

7 (a) FINDINGS.—Congress finds that—

8 (1) in some cases, drinking water standards in
9 effect and proposed as of the date of enactment of

1 this Act can place large financial burdens on public
2 water systems, especially systems that serve fewer
3 than a few thousand people;

4 (2) some small public water systems have experi-
5 enced water contamination problems that may pose
6 a significant risk to the health of water consumers;

7 (3) small communities are concerned about im-
8 proving drinking water quality;

9 (4) the limited scientific, technical, and profes-
10 sional resources of many small communities make
11 understanding and implementing regulatory require-
12 ments very difficult;

13 (5) small communities often struggle to meet
14 water quality standards because of difficulty in se-
15 curing funding;

16 (6) small communities often lack a tax base or
17 opportunities to benefit from economics of scale and
18 therefore face very high per capita costs in improv-
19 ing drinking water quality;

20 (7) the smallest public water systems, which
21 serve fewer than 3,300 people, represent 85 percent
22 of all public water systems;

23 (8) small public water systems serving fewer
24 than 10,000 people represent 94 percent of all public
25 water systems;

1 (9) small communities would benefit from a
2 grant program designed to provide funding for water
3 quality projects without a substantial matching re-
4 quirement; and

5 (10) Federal programs in effect as of the date
6 of enactment of this Act do not adequately meet the
7 needs of small communities with respect to public
8 water systems.

9 (b) PURPOSE.—The purpose of this Act is to estab-
10 lish a program to provide grants to small public water sys-
11 tems to—

12 (1) meet applicable national primary drinking
13 water regulations under the Safe Drinking Water
14 Act (42 U.S.C. 300f et seq.);

15 (2) maintain water costs at a reasonable level
16 for the communities served by small public water
17 systems; and

18 (3) obtain technical assistance to develop the
19 capacity to sustain operations over the long term.

20 **SEC. 3. SMALL PUBLIC WATER SYSTEM ASSISTANCE PRO-**
21 **GRAM.**

22 (a) DEFINITION OF INDIAN TRIBE.—Section
23 1401(14) of the Safe Drinking Water Act (42 U.S.C.

2 graph (B), a State may waive the requirement
3 of an eligible entity to pay all or a portion of
4 the share of an eligible activity that may not be
5 funded by a grant under this section, based on
6 a determination by the State that the eligible
7 entity is unable to pay any or all of the share.

9 which a State receives funding under this sec-
10 tion, the total amount of cost-share waivers

12 shall not exceed 30 percent of the amount of
13 funding received by the State for the fiscal year
14 under section 1472(c)(1).

19 shall be returned to the Administrator for reallocation
20 under that section.

13 gible activity); and

14 “(2) make the report under paragraph (1)
15 available to the public.

16 **“SEC. 1474. SMALL PUBLIC WATER SYSTEM ASSISTANCE**

2 shall be factored into the determination of
3 financial need for, and prioritization of, eli-
4 gible activities under this section.

5 “(2) PRIORITY CRITERIA.—In preparing the list

13 under section 1412.

14 “(2) ALLOCATION OF GRANT FUNDING.—For
15 each fiscal year, taking into consideration the fund-

17 fiscal year, the head of the small public water assist-
18 ance program established under subsection (a), in
19 consultation with the Secretary, shall provide grants
20 under paragraph (1) for the maximum number of el-
21 igible activities for which the funding allocation
22 makes assistance available, based on the priority as-
23 signed by the Administrator to eligible activities
24 under subsection (b).

1 “(d) LIMITATION ON USE OF FUNDS.—For each fis-
 2 cal year, not more than 5 percent of the funds received
 3 by an eligible entity under this section may be used to

 15 ulations applicable to the eligible entity under
 16 section 1412; or

17 “(B) is in significant noncompliance with
 18 any applicable national primary drinking water
 19 regulation.

20 “(2) EXCEPTION FOR RECEIPT OF GRANT.—An
 21 eligible entity described in paragraph (1) may re-
 22 ceive a grant under this section only—
